## General regulations about ordering water connections/dish-washers

### General

The basic installation contains an inflow (diameter 14 mm) and an outflow (diameter 50 mm), pressure between 5 and 9 bar, depending on the hall, plus the connecting up of a simple sink. The installation ends at the level of the floor/platform.

### Planning/installation plan

Please enclose a detailed installation plan with your order. For this purpose please fill in form "4 S-SK" (sketch). In order to ensure that MCH can carry out the installation work on time, it is essential that you indicate the planned stand construction deadline and the stand construction company.

### Water connection

As per the General Regulations, the stand will be connected up directly to the cold water supply network at MCH Beaulieu Lausanne SA.

### Electrical connections

Electrical connections for rented appliances are to be ordered separately. (Form 4S-EL LS)

### Installation work

Installation work for water pipes will only be carried out by MCH or a contractor appointed by them. Independent connections are not permitted. MCH reserves the right to shut down such connections.

Depending on the position of the water supply, it may be necessary to install a platform for the connection. This will be charged to the exhibitor.

### Charges for water connection

The prices include the supply line and the installation of a simple sink plus water consumption and waste water charges.

Connecting up appliances/equipment will be charged separately (470.801).

### Filling pools

This is solely for filling tubs, swimming pools and spas. Exhibitors can perform the filling, topping up and emptying themselves using a fixed water connection. The permitted hall load must not be exceeded. The water level will be adjusted in this case.

### Express surcharge

Orders received on the first construction day or later are subject to an added charge of CHF 300.-.

### Administration tariffs

Contracted work will be invoiced at cost.

### Contravention/liability

The exhibitor is liable for damage and disturbances that arise from the failure to observe the Exhibition's General Regulations, the general regulations pertaining to this form or the instructions given by employees of the Exhibition.

### Cancellation

If the exhibitors cancel their order, they will be required to pay a cancellation fee which will be:

Up to 4 weeks prior to the event:	no fee
3 weeks prior to the event:	50% of the price
2 weeks prior to the event:	100% of the price

Cancellations must be in writing by e-mail.
