Your benefits from the new trade fair logistics

From Ilmac Lausanne 2026 onwards, Kühne+Nagel will manage all logistics services. For you, this means average savings of 22% on rates, greater cost transparency and simplified processes for transport and deliveries.

Kühne+Nagel logistics portal

Create your personal account now for the two logistics portals, **FairlogSTM** and **myFairLOG**. **Starting August 11, 2026**, Ilmac Lausanne 2026 will be activated on both portals. From that date on, you can book your time slots for deliveries and collections via FairlogSTM and order all logistics services via myFairLOG. Detailed instructions can be found in the download center.

After registration, your account will remain active permanently and will be valid for all future events worldwide.

Important change to billing

Please note that booked logistics services will now be invoiced **directly by Kühne+Nagel**. Billing will therefore no longer be handled via Ilmac or MCH Exhibitions & Events Ltd.

If you have any questions about the new logistics processes or booking procedures, the Kühne+Nagel team will be happy to assist

you at Customer.event@kuehne-nagel.com or by phone at +41 44 866 84 99.

We wish you continued success with your preparations and look forward to welcoming you at Ilmac Lausanne 2026.

Kind regards,
Your Ilmac Team
