Dear Sir, Dear Madam,

Two days filled with innovations, strong visitor interest and inspiring conversations are now behind us.

Thank you very much for enriching Ilmac Lausanne 2026 with your booth, your team and your commitment. In this email, we would like to share the key results and impressions from the event – as well as a look ahead to what's next.

Ilmac Lausanne 2026 – the highlights

Your participation made a difference. Our final report highlights the growing importance of the event for professionals from the chemistry and life sciences industries:

- **213 exhibiting companies** – 7% more than in 2024

- **3,952 participants** – 18.6% more than in 2024
- **70+ presentations, keynotes, panel discussions & startup pitches** across 3 stages

Other highlights included the fully booked Startup Area and strong interest from industry and political representatives. Discover the full results and key figures in our final report.

Visitor Marketing Bonus: Successful visitor marketing pays off

Did you use your Prio Code and invite a large number of visitors? You may be in for a special reward. The exhibiting company with the highest number of visitors, measured by entries through the turnstiles, will receive a **CHF 500 restaurant voucher** in each stand size category (9 / 18 / 36 m²), redeemable at a restaurant of their choice. We will contact the respective winners personally from **calendar week 42/2026 onwards**.

Your Opinion Matters: Exhibitor Survey Now Open

There is always an opportunity to improve. That's why your feedback is so important to us. Please check your inbox to take part in the survey. Your feedback will help us further develop Ilmac and tailor it even more closely to your needs. We would greatly appreciate it if you could take a few minutes to share your feedback – thank you very much!

Ilmac Basel 2027: Your next opportunity to connect with the heart of Life Sciences

After Ilmac is before Ilmac. From **21–23 September 2027**, Basel will once again become the meeting place for the international chemistry and life sciences community.

Basel is more than one of the world's leading life sciences locations: it is **Europe's connected ecosystem for chemistry and life sciences.**

The city represents an industry that has grown here over generations, has a global impact and continues to be driven by exceptional innovative strength. As the founding location of **Roche**, home to the roots of **Novartis**, and a base for international players such as **Lonza and Syngenta**, Basel brings together pharma, chemistry, biotech, research, academia and startups in a unique and highly connected ecosystem.

This is exactly where Ilmac comes in. Ilmac opens the door to a world where life sciences have been growing and shaping the future for generations. Right in the heart of Basel, Ilmac connects scientific excellence, industrial strength, new technologies and entrepreneurial ideas.

As a central platform for chemistry and life sciences, Ilmac creates space for exchange, new partnerships and innovation – bringing together the people and companies shaping the industry of tomorrow.

Under the motto **“Inspiring the Future of Chemistry and Life**

Sciences”, IImac 2027 will once again bring together the key players from across the industry.

Be part of IImac 2027 and present your company where the industry comes together. Secure your preferred stand location now and benefit from attractive early-bird conditions.

Secure your participation

Once again, thank you very much for your trust and the great collaboration. We wish you a successful follow-up with your leads and look forward to welcoming you back to IImac Basel 2027.

Best regards,
Your IImac Team

The banner features the IImac logo with the tagline 'INSPIRING THE FUTURE OF CHEMISTRY AND LIFE SCIENCES.' on a dark blue background. To the right is a vertical image of colorful liquid droplets. Below the logo, it says 'NEXT EVENT' followed by '21-23 SEPTEMBER 2027' in large red letters, and 'Messe Basel' below that. A row of four red circular icons contains the LinkedIn, YouTube, Instagram, and a '36' logo. The contact information for MCH Exhibitions & Events LLC is listed, including the address, email, and website. The MCH logo and copyright notice are at the bottom.
